

I am in the process of gathering information to publish a new Unit 190 directory. My database is from the ACBL's January roster. If the information there is not correct, it will not be correct in the directory. Please send all updated addresses, phone numbers and email addresses to Marie Grabowski at [mariegrab@hotmail.com](mailto:mariegrab@hotmail.com) and put "Directory" in the subject line. Snowbirds, I need your Delaware (local) information.
